HOSPITALITY

2014 Product Catalog

Offering
MORE
of what
MATTERS

We're proud to provide more than 120 products in over 16 categories, ensuring hoteliers have the best selection available to delight their guests.

Driven by innovation, we focus on creating product after product with compelling new features designed to enhance the guest experience.

We offer products designed specifically for the rigors of hospitality, and some of the longest warranties in the industry.

Long-lasting products at competitive prices make ordering from us one of the best – and smartest – values in the industry.

The Sunbeam® Hospitality team offers one of the largest portfolios of trusted and preferred brands in the business.

Dedicated to delivering outstanding customer service, we believe that by building long-term, personal relationships with our customers, everyone benefits.

A Smarter Way to Drive Savings

The average price of a new car, as of publication of this catalog, has hit an all-time high of \$30,748.00; interestingly, that's about the same amount of money an average 150 room hotel can save by taking advantage of our greensense™ line of products*.

Designed to save energy, water and dollars, the greensense™ product portfolio was launched in 2008. From more efficient showerheads to energy-saving hairdryers, greensense™ products afford hoteliers the luxury of providing the quality amenities that your guests expect, without the added expense of higher utility bills (all while helping the environment, too.)

Watch for this symbol  throughout the rest of the catalog – it designates an official greensense™ product that was smartly designed to save you money while also helping to preserve our precious natural resources.

*An average hotel can save up to \$26,000 annually – savings based on average energy and water use of a 150 room hotel with 67% occupancy converting to a greensense™ showerhead, aerator, iron, hairdryer and nightlight.

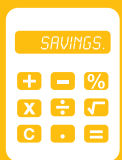

Cool Tools & Ready Resources

As a dedicated provider to the hospitality industry, we're constantly thinking of new ways to make your job easier. With a newly redesigned website (just launched!), you can now find all the information you need about us – and our products – all in one convenient place.

We've taken the Sunbeam® Hospitality brand experience even further with our new iPad® App. From within the App, you will find 360° product demos, shareable spec sheets and even a greensense™ product savings calculator that helps determine how much a specific hotel can save by switching to greensense™ products.

We've also created helpful videos, featuring product demos and informative pieces about our products, our brands and our vision.

In short, the Sunbeam® Hospitality brand is once again leading the way in available tools and resources for learning, shopping, sharing and ordering, and as technology continues to advance, we promise to provide you with everything you need to satisfy your guests. *Together, we'll make their day!*™

Clock Radios

The new Sunbeam® Elite clock radio has been designed with all the features your guests request. The ultimate in compatibility, the USB charger, Audio input jack and standard iPod® dock combine to allow guests to charge and play all versions of the iPod®, iPhone®, iPad®, plus Android devices. With innovative voice instructions and voice confirmation, setting the alarm has never been easier. Featuring a Daily Alarm Reset, your guests will never wake up to a previous guest's alarm. Plus, we've added features specifically for hotel guests, such as Nap, White Noise and a Radio Seek function. Easy to use, set and listen to, your guests can count on a Sunbeam® clock radio for a good night's sleep.

Compatible with iPhone 5®*

"Your alarm is set to 6:15 A.M."

Irons

Sunbeam® Hospitality irons are renowned for their quality and performance, and this year's lineup is no exception. The Sunbeam® Steam Master® Iron series now feature our latest innovation, **ClearView™** LED lights that make ironing in-room easier in any lighting environment. Our irons are a smart choice for both value and safety*, with durable, non-stick soleplates, labor-saving, retractable cords, Safe Storage Strips® feature and Motion Smart® 3-Way Auto-Off. Your guests will love the versatility and crisp look they can get with our Vertical Steam, Shot of Steam® and Spray Mist® functions, and with our drip-free technology, water only goes where you want it to go. With a variety of irons to choose from, including 8 greensense™ models, which were designed to deliver water savings of up to 45% vs. a standard iron, your guests can count on Sunbeam® irons for an exceptional ironing experience.

Irons Cont.

We continue to enhance and improve our most popular line of irons – the Sunbeam® Classic irons are now even better. We've changed the design of the water reservoir cover to a slide, making it easier to use and more durable. In addition, housekeeping will love the time-saving cord wrap built into the heel of the iron. Storage was never easier.

Coffee Makers

We all know that coffee is a daily staple for many, so why not indulge when away from home? This year we've added the Mr. Coffee® Café Barista Coffee Maker to our collection, inviting you to offer guests coffeehouse quality lattes, cappuccinos and espressos at the touch of a button to enhance their in-room experience. You can count on the Mr. Coffee® brand to provide the perfect coffee maker for your guests, from compact, efficient 1-cup brewers to upscale, programmable 12-cup coffee makers with stainless steel accents.

Hairdryers

The new, sleek and stylish HD3006 & HD3007 lead off our already extensive collection of wall-mount and hand-held hairdryers. Designed to combine style and performance, these models feature our latest innovation – disposable lint filters. Nestled behind the removable lint cover, housekeeping will love our new time-saving disposable lint filters. Keeping your dryers clean prolongs the life and keeps them looking new for your guests. The HD3007 also uses ionic heating technology for a gentler drying experience, and offers additional customization thanks to separate air/heat controls. Plus one of the longest warranties in the industry – 3 years!

Showerheads & Aerators

Saving money while saving the planet makes perfect sense – which is why our new greensense™ SH3601 2.0 GPM showerhead is EPA WaterSense® certified to save water waste by 20% compared to a standard 2.5 GPM unit. With 5 powerful spray choices – including mist, spray, massage and multiple combinations – and an easy-turn indicator wheel, your guests won't even notice a difference.

All showerheads feature a durable metal swivel base and easy-to-clean rubber spray nozzles plus a 5-year Warranty.

Toasters & Toaster Ovens

A fresh start to the day begins with a hearty and balanced breakfast. This Oster® 4-Slice Toaster features a beautiful stainless steel finish and a removable crumb tray for easy cleaning. We have everything from compact 2-slice toasters to 4-slice toaster ovens. The extra wide slots on our toasters allow for maximum versatility, from bread to bagels, with Sunbeam® and Oster® branded products, your guests can count on that perfect, golden crisp toast – time and time again.

Griddle & Waffle Maker

Few things in life are more comforting than fresh pancakes and waffles. Our Oster® Griddle features a large, non-stick surface with CoolTouch edges for safety, and a handy warming tray to keep food warm while your guests prepare breakfast. Our Oster® Flip Waffle Maker perfectly cooks delicious, golden, Belgian-style waffles evenly, and features adjustable temperature control for light and fluffy waffles or crispier varieties. An all-new, eco-friendly DuraCeramic™ non-stick coating cooks up to 20% faster and is PFOA and PTFE-free. The only thing that will “stick” when using these models is the smile on your guests’ faces.

*Based on test results that show DuraCeramic™ coating is 4x harder than standard non-stick coatings.

Blenders

Make your guests' stay more memorable by treating them to a perfectly blended refreshment with the Margaritaville® Bahamas™ Frozen Concoction Maker® blender. This unique, easy-to-use appliance is far more than an ordinary blender, as it automatically shaves ice and blends up to a 36 ounce pitcher, at the touch of a single button. We also feature 4 Oster® blenders in our line, with multiple speed settings, convenient feeder caps and ice crusher blades.
